## DESCRIPTION

The Viewmont, by Goldie Creek Developments, features an inviting floor plan that is great for entertaining and everyday living. This beautiful bungalow is sited on a .19 acre treed lot with southwest facing backyard and fantastic Purcell Mountain views. The alpine mountain architecture is in perfect accordance with the natural setting of the area.

You are greeted on the main floor with a vaulted ceiling throughout the kitchen, dining, and living spaces which are integrated in a functional open concept. The living room showcases a feature stone fireplace and generous tall windows allow you to soak in the natural light. Off the dining and living area is a large wrap-around deck for afternoon entertaining and beautiful evening sunsets. In front, the covered porch with timber and stone detail offers stunning curb appeal. Below, the walk-out basement is unspoiled and features 9' ceilings. Additionally, the Viewmont features fine wood interior finishing and interior doors, and granite throughout.

Possession is anticipated for Spring 2015
